COUPLET II

Yes, how many years can a mountain exist
 Before it's washed to the sea?
 Yes, how many years can some people exist
 Before they're allowed to be free?
 Yes, how many times can a man turn his head
 Pretending he just doesn't see?

COUPLET III

Yes, how many times must a man look up
 Before he can see the sky?
 Yes, how many ears must one man have
 Before he can hear people cry?
 Yes, how many deaths will it take till he knows
 That too many people have died?
